

ORANGE-SOLVE

Natural Organic Cleaner/Degreaser

UN2319, Terpene hydrocarbons, n.o.s. (D-Limonene), 3, PGIII

CAUTION

Please refer to the SDS for more detailed precautionary measures, handling instructions and emergency procedures.

FIRST-AID

Eyes: Flush with copious amounts of water lifting lids and removing contact lenses to ensure complete irrigation - get medical attention.

Skin: Flush with water and then wash with soap and water, launder contaminated clothing before reuse - get medical attention if irritation persists.

Inhalation: Remove to fresh air and assist breathing as necessary - get medical attention.

Ingestion: If appreciable amounts have been swallowed get medical attention.

DESCRIPTION

Orange-Solve is a revolutionary breakthrough in Degreasing and Deodorizing. It is 100% Organic, contains NO Petroleum Distillates, Alkalies or Halides and is an excellent replacement for chlorinated and halogenated solvents.

Orange-Solve instantly emulsifies in water to penetrate and liquefy grease, oils and tar, and is excellent for use on hard surfaces. It is a superior drain opener, and due to its fresh citrus scent, makes an ideal drain conditioner.

WARNING

KEEP OUT OF REACH OF CHILDREN.

HMIS SYMBOL

Health	2
Fire	3
Reactivity	3
Personal Protection	

FLOATING LIFT STATION DEGREASER DIRECTIONS

Use approximately 1/2 gallon for each square foot of water surface. This special non-emulsifiable formula floats on the surface for continuous cleaning action.
